

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Most assuredly the input of more opinions and sources can only bring a better mix to the public as well as broaden the debate. This is not a country which has a state sponsored media and we need to prevent the closing off of differing viewpoints in order to sustain our democratic ideals.
